

WSL - County Community Rules

- 1) Teams can have up to (15) Players on their roster on any given weekend. (2) Players can live anywhere, those two players are called "Free Agents" The rest of the roster has to be comprised of players who currently live in the county/parish or can prove they graduated from any HIGH SCHOOL in that county. Players can bring diplomas or yearbooks to prove they went to that high school
- 2) College students and Military have to have proper Identification to play for a county they are living / stationed in. If their driver's license does not prove they currently live in that county then they are not legal for that county. All driver's license have zip codes on their licenses. This will prove what county they live in.
- 3) Home Runs will be (3) home runs Progressive. Aluminum Bat County Community tourneys will be (10)
- 4) Batters will start with a 0-0 count no courtesy.
- 5) Pitching will be 6-10 feet arc with no faking. *Directors can run faking in their tourneys but the County Community Championship will be 6-10 feet arc with no faking.
- 6) If any there are any questions about a player's eligibility those questions will be answered by Mickey Blue, Executive VP of County Community.
- 7) Any player caught "cheating" in the County Community division is banned from all CC play for life. This includes altering of bats or illegally playing for a team you are not legal for. Also may be banned from All WSL Play pending an investigation.
- 8) Tourney Directors can use any WSL legal ball. The County Community Championship will use 44/400 WSL approved ball.

Anything not covered on this page will revert back to the WSL Rule Book !
